1. REMEDIAL READING PROGRAM

(Tentative) June 19 through July 20, 2023
Mon.–Thurs. - 8:00 am-12:30 pm - \$3000
(Closed Tuesday, July 4)

The main focus of the summer program is a comprehensive structured Remedial Reading program.

- ✓ Highly trained teachers work with a small group of students matched according to their age and reading ability
- ✓ Student age range is 7-14 years
- ✓ Our summer program runs Monday through Thursday – no sessions on Fridays
- ✓ Technology and environmental science activities will supplement instruction

MULTI-SENSORY ORTON-GILLINGHAM BASED INSTRUCTION

Our teaching techniques foster learning and mastery of skills. Experienced teachers provide each student with:

- ◆ Increased phonemic awareness practice
- ◆ Direct systematic structured phonics instruction
- ◆ Sight word mastery
- ◆ Homework assigned daily
- ◆ Strategy-based spelling instruction
- ◆ Daily oral reading to promote accuracy/fluency
- ◆ Cursive handwriting development
- ◆ Improved sentence and paragraph construction

SCIENCE AND TECHNOLOGY

Each student will study environmental science through multi-sensory activities, labs and field work.

Under the supervision of an experienced teacher, students will explore our stream and wooded grounds which make science come alive!

Technology is highlighted with the use of laptops that have been loaded with the latest tools which can help our students bypass learning roadblocks and extend educational opportunities.
