

Dear Parent/Guardian, Summer 2026

Welcome to The Bridge Academy and the 2026-2027 school year.

Please read the following information carefully, as some have changed.

New Jersey State law requires that the Tdap & Menactra immunizations be given at age 11. The written certification must be forwarded to the Health Office when these immunizations are given.

New Students: A copy of an updated immunization record by the child's physician plus a copy of the A45 record in the Nurse's Office of your child's previous school is needed. I can get this record with signed permission from the parent or guardian.

Physical Form: Physicals are required for all new students and need to be updated every 1 to 2 years.

Health History Form: The Health History form is to be filled out annually.

Tylenol Form: A standing order from our school physician allows Tylenol to be given to your child while they are in school.

Medication Form: A medication form needs to be completed by a physician to administer any **prescription** or **over-the-counter** medicine while in school/camp.

EpiPen or Asthma Medications: If your child has Asthma or Food Allergies: A Medication Administration form for **Asthma Inhalers or EpiPen** must be completed by the physician **along with** an **Asthma Treatment Plan** or **Severe Food & Bee/Insect Sting Allergy Action Plan**.

Returning Students: The following forms must be updated and returned to the Health Office during the first week of school in September.

Health History Form

Tylenol Form

Private Physical Form & updated immunization records from the physician

Medication Form A medication form needs to be completed by a physician to administer any **prescription** or **over-the-counter** medicine while in school.

EpiPen or Asthma Medications: A Medication Administration form for an **Asthma Inhaler or EpiPen** must be completed by the physician **along with** an **Asthma Treatment Plan** or **Severe Food & Bee/Insect Sting Allergy Action Plan**.

All forms are available on the website, www.bridgeacademynj.org, to print out.

Thank You,
Dr. Bernadette Alexander
School Nurse
